## Special Notice.

Copies of this paper may be found  
on file at Washington in the office  
of our special correspondent, E. C.  
Siggers, 918 F Street, Washing-  
ton, D. C.

The watermelon and the colored  
brother have again fraternized.

The trouble with the news from  
China is that so much of it isn't so.

Geo. F. Burgess is the nominee,  
and all democrats should give him  
their support.

ROOSEVELT is the German for a  
field of roses. Well, Teddy is a  
sort of a daisy.

If Admiral Dewey is really a  
democrat, he will now support  
Bryan and Stevenson.

The South African situation is  
almost obscured by the immensity  
of the trouble in China.

BURGESS and Paulus have both  
been nominated. The lines are cast  
and democracy is sure to win.

TWELVE cotton mills have been  
chartered in Texas since January  
1st. Let the good work continue.

HAWAII was not represented at  
the Kansas City convention. They  
must all be imperialists out there.

EVERY patriotic American will  
be glad to know that the grand old  
battleship Oregon is safe in a Jap.

While The Gazette is strictly  
democratic, it respects the honest  
political opinions of everybody, re-  
gardless of party.

It has been figured out that the  
coming century will have twenty-  
four leap years. Hurrah! Girls,  
you'll all have a chance.

It is believed that Colorado county  
will now swing into line and sup-  
port Burgess, in spite of Editor  
Goeth's prediction to the contrary.

According to the latest reports  
the Empress of China has come to  
life again. She couldn't afford to  
stay dead while things were so ex-  
citing.

COL. BRYAN says that the repub-  
lican party stands for the dollar  
and the democratic party for the  
man and Colonel Bryan is pretty  
near right.

THE powers have about decided  
to seize and hold Li Hung Chang  
as a hostage. He is believed to be  
in sympathy with the Boxers. Li  
is a sly old fox.

THERE are at present several fine  
consulates going begging. They  
are located in China and the sala-  
ries begin only when the consuls  
reach their posts.

It is now given out that Stump  
Ashby has declared for Bryan and  
will go to North Carolina to work  
for him. Stump will carry North  
Carolina by storm.

The population of Texas, under  
the new census, will reach close to  
3,500,000 and Texas can raise a bale  
of cotton for every man, woman  
and child in the State.

The Goddess of Liberty in New  
York was struck by lightning the  
other day, but it wasn't injured.  
The Goddess has gotten used to  
being struck in these republican  
days.

## Questions for Women

Are you nervous?  
Are you completely exhausted?  
Do you suffer every month?  
If you answer "yes" to any of  
these questions, you have the Wine of  
Cardui. Do you appreciate what perfect health would  
be to you? After taking Wine of  
Cardui, thousands like you have real-  
ized it. Nervous strain, loss of sleep,  
cold or indigestion starts menstrual  
disorders that are not noticeable at  
first, but day by day steadily grow  
into troublesome complications. Wine  
of Cardui, used just before the men-  
strual period, will keep the female  
system in perfect condition. This  
medicine is taken quietly at home.  
There is nothing like it to help  
women enjoy good health. It costs  
only \$1 to test this remedy, which is  
endorsed by 1,000,000 cured women.

Mrs. Lane T. Frieberg, East St. Louis,  
Ill., says: "I am physically a new  
woman, by reason of my use of Wine of  
Cardui and Thadford's Black Dye."

In cases requiring special directions, ad-  
dress, giving symptoms, "The Ladies' Advi-  
sory Department," The Chattanooga Medi-  
cine Co., Chattanooga, Tenn.

**WINE OF CARDUI**

WILLIAM WALDORF ASTOR is going  
to build a \$3,000,000 hotel on Broad-  
way, New York. Mr. Astor says  
he is opposed to high buildings, so  
his new hotel will be only twelve  
stories high.

We will wager dollars to dough-  
nuts that the Sultan of Turkey is  
laughing in his sleeve at the situ-  
ation in China. He will not be  
molested for some time about those  
numerous I. O. U's.

AUSTIN, Fayette, Gonzales and  
Lavaca, representing 45 votes, are  
the four counties to which Burgess  
owes his nomination. Then came  
the vote to clinch the matter.

LI HUNG CHANG, the Richelieu of  
China, is off at last for Peking. The  
wily Li claims to be the friend of  
the foreigners, but when he reaches  
Peking he may undergo a change of  
front, or lose his head.

WITH the exception of the cap-  
ture of Tien Tsin by the allied  
forces, the situation in China has  
not materially cleared up. It is  
not known at this writing whether  
the foreign ministers in Peking are  
living or dead.

So long as the administration  
confines itself to rescuing Americans  
from China, the country will up-  
hold it warmly. When it turns  
from this to a war of vengeance or  
conquest, the country will soon  
express its disapproval.

CHINESE MINISTER WU at Wash-  
ington, has received a cablegram  
from Peking, saying that Minister  
Conger was alive on July 18th but  
was being bombarded in the British  
legation by Chinese troops. The  
authenticity of the message is  
doubted.

The closing down by the trust of  
the great print mills, throwing 20-  
000 employees out of work in thirty  
factories, in order to boom the al-  
ready inflated prices, may be taken  
as illustrative of the republican  
platform declaration that the party  
favors honest co-operation.

Why should you allow your system  
to become the hot bed of diseases  
which you do when you allow your-  
self to become constipated, con-  
stipation is the primary cause of a  
great many fatal diseases and can  
be effectually cured in a few weeks,  
"cured to stay cured," by taking a  
treatment of Gailin's Anti-Bilious  
Compound. It never fails to give  
quick relief and the cure is certain.  
Large boxes 25 cents at all drug  
stores.

W. W. Sells, Esq., chief of chair-  
man of the Texas county republic-  
cans. In a letter to the New Era,  
indulges in some criticism of the  
Hallettsville Herald and winds up  
in this fashion:

I hope no one will be disgruntled  
for the reason that no white Repub-  
licans took part in the last conven-  
tion. It will be remembered that  
for four years the colored Republi-  
cans have been wrangling over the  
chairmanships and no decent white  
man could afford to mix in such a  
fight; but since that fight is ended  
I feel assured that the white Repub-  
licans will attend our conventions  
hereafter. As chairman I solicit  
their presence at the next conven-  
tion, which will be called the latter  
part of this month for the purpose of  
completing the independent ticket.

The cotton market is zig-zagging,  
but when China is redeemed to  
civilization the price will take a  
straight shoot upward. To clothe  
respectably 500,000,000 people most  
of whom are now dressed mainly in  
atmosphere and total depravity  
will demand the quadrupling of  
the cotton crop.—Stock and Farm  
Journal.

Mr. and Mrs. J. A. Droz are  
rejoicing over the arrival of a baby  
girl at their home last Sunday.—

## How is your Wind?

If you are short of breath; if your  
heart flutters or palpitates; if you  
have pain in left side or in chest; if  
your pulse is irregular, or you have  
choking sensations, weak or hungry  
spells, fainting or sinking spells, re-  
member, Dr. Miles' New Heart Cure  
is especially adapted to remove just  
that class of disorders. It is a heart  
and blood tonic which strengthens  
the heart, purifies the blood and  
gives new life to the weak and weary.  
Shortness of breath, severe palpi-  
tation and smothering spells disabled  
me for any labor. After using three  
bottles of Dr. Miles' Heart Cure I  
was entirely relieved of distress and  
from that time on my recovery was  
rapid.

Dr. Miles' Heart Cure is sold at all  
druggists on a positive guarantee.
